RFP #2018-01 Request for Proposal for Domain Server Project

Hardware, software and any other materials \$ _____

Installation, configuration, data migration and any other services \$ _____

Licenses, fees or other costs necessary to complete the project \$ _____

Total Project Cost \$ _____

Price must include all hardware, software, labor, travel expenses, and any other costs or fees to complete the project. A **separate, detailed, cost breakdown for each project must** be attached to Attachment 2 – Price Proposal Form.

The Attachment 2 -- Price Proposal Form, **must** be submitted with the proposal in a separate, sealed envelope. **Failure** to submit the Price Proposal Form in a separate, sealed envelope will result in the **immediate disqualification** of the proposer as non-responsive. This is to prevent the possibility of the proposed prices influencing the scoring of the other evaluation criteria.
